

CLASS OBSERVATION FORM

Name: _____ Class: _____ Date: _____

1. Why are you observing class today? Are there ways you can still participate?
2. Record several general and/or individual feedback comments from the instructor. How might this feedback apply to you?
3. Describe ways students respond to the feedback.
4. What anatomical principles are emphasized? Which ones are ones that apply to you?
5. List some effective images the instructor uses.
6. What images come to mind as you watch the class?
7. In what ways do students demonstrate commitment during the class?
8. Are there any students in the class who are inspiring to you? Describe why.
9. What is the relationship between the musician and the movement created in class?
10. Summarize what you have learned from your observation.
